PUBIC COMMENT: Corke commented that the township needs to protect public accesses that are township owned too many property owners next to township property try to take over the properties when left unchecked. The township has already had to re-survey little Bear Lake & Saddle Lake access many times already due to encroachments. Access to these lake helps maintain property values in Columbia Township.

BOARD COMMENT: all board members stated thank you for a productive meeting and attending.

ADJOURNMENT: Motion by Norton seconded by Corke. 8:40pm

Stacey Corke, Clerk

Linda Norton, Supervisor
